ARMY APPROPRIATION PASSED.

Washington, Jan. 18.—The president today nominated William J. Mills to be chief justice of the supreme court of New Mexico.

GERMAN'S SUCCESSOR.

Republicans Divided and no Candidate Gets a Majority.

Annapolis, Md., Jan. 18.—The Maryland general assembly began today to elect a senator for the United States. The republicans, who have considerable of a majority in both houses, are divided, eleven delegates from Baltimore having persistently refused to go into caucus. The situation was further complicated by the rumors that William V. Maister, mayor of Baltimore, would enter the contest and expected to win by means of a coalition between eleven malcontents and forty-seven democrats. The first ballot was as follows: Senate—Judge Louis E. McComas, 9; Congressman Isaac A. Barber, 4; Thomas Parran, 2; John V. L. Findlay, 1; Governor Lloyd Lowndes, 1; Major Alexander Shaw, 1; A. P. Gorman, 1 (democrat); Judge Henry Page (democrat), 1. Total, 25.

House—Judge McComas, 25; Thomas J. Shrock, 3; Alexander Shaw, 11; J. C. Muliken, 11; J. V. L. Findlay, 4; Isaac A. Barber, 2; Milton C. Urner, 1; Thomas Parran, 4; Arthur P. Gorman, 36. The fight will be resumed tomorrow in joint session.

SENATE PROCEEDINGS.

Information Asked Regarding the Killing of a Sailor by the Japs.

Washington, Jan. 18.—The senate committee on finance today to report the Teller resolution declaring for the payment of the national bonds in silver as well as gold. The vote stood 8 to 5.

The resolution is practically the same as the Stanley Matthews resolution adopted some years ago. Those voting for the resolution were Vest, Jones (Ark.) White, Walthall, Turpie, Daniel, democrat; Jones (Nevada) silver republican and Wolcott, republican.

Against—Morrill, Allison, Aldrich, Platt (Conn.) and Brewster. Not present, but his vote was, by his request, recorded in favor of the resolution.

Mr. Gallinger, of the committee on public health and national quarantine, today reported favorably the senate bill providing for an investigation into the subject of leprosy.

Mr. Vest, for the finance committee, reported the Teller resolution and gave notice to call it up at an early date.

Daniel (Va.) secured the adoption of a resolution directing the secretary of state to supply the senate with any information the department of state has respecting the killing of Frank Egan, a sailor on the United States ship Olympia by Japanese subjects in the harbor of Nagasaki, Japan, in December, 1897, and inform the senate if any steps had been taken looking to a reparation.

A resolution presented to the senate yesterday calling upon the secretary of the treasury for reasons for reason why the item of \$11,000,000 interest due the United States from the Pacific railroad had been dropped from his statement, was agreed to. Mr. Nelson, chairman of the resolution calling for an investigation by the pension committee as to the authority of the commission of pensions to promulgate an order that no consideration should be given applications for an increase of pensions within twelve months after the last application had been made and it was agreed to.

In accordance with a notice previously given, Hale, of Maine, called up the urgent deficiency bill. The bill, as reported by the senate, carried \$1,741,843; as reported by the senate it carried \$1,891,923. The bill passed after a few amendments were made.

Foraker, of the Pacific railroad committee, asked consideration of the bill reported yesterday conferring upon the president authority to suspend the Kansas Pacific branch of the Union Pacific road. Thurston announced that he would earnestly press an amendment conferring the authority upon the president to sell the road in case it be purchased by the government, and would oppose any authority to purchase the road unless the amendment was agreed to. It being evident that the bill would provoke discussion, Foraker withdrew his request for immediate consideration. The senate went into executive session.

MINERS AND OPERATORS MEET.

Chicago, Jan. 18.—The inter-state joint convention of bituminous coal miners and operators assembled today prepared to do business in a methodical manner. The miners made no attempt to conceal the fact that they want an advance throughout the field of ten cents per ton. The operators say that four cents advance is about what may be expected.

Kansas City, Jan. 18.—Cattle—Receipts 5,000; market steady to lower. Texas steers, \$12.25@12.50; Texas cows, \$2.40@2.75; native steers, \$3.25@3.50; native cows and heifers, \$1.50@1.80; stockers and feeders, \$3.00@4.70; bulls, \$2.25@3.00.

Bakers Retaliating.

Chicago, Jan. 18.—The Bakers' union has begun a war against the American Biscuit company, and incidentally against all the employers of non-union

THE LOWER HOUSE.

Washington, Jan. 18.—In the house today Chairman Taylor, of the committee on elections, No. 2, reported that Thomas F. Clark, who filed notice of a contest against Jesse F. Stallings, representing the second Alabama district, had abandoned his contest and the committee, therefore, unanimously reported a resolution declaring Mr. Stallings entitled to the seat.

THE HOUSE RESUMED CONSIDERATION OF THE ARMY APPROPRIATION BILL.

Mr. Sayers (dem., Texas), raised a point of order against the provision requiring the pay of enlisted men to be paid by postmasters in person. The point was sustained and the provision went out of the bill.

The army appropriation bill passed the house and the diplomatic and consular appropriation bill was then taken up. The minority served notice that they proposed to debate the foreign relations bill.

The party lines were broken when Fleming (dem., Ga.) opposed the Cuban amendment on the ground that it was not in order.

Colon (rep., Ky.) made a vigorous speech against the amendment on foreign affairs and his republican associates for their delay on Cuba. He warned the republicans that the people would hold them accountable for the delay. He declared that if something was not done he would join the most revolutionary tactics on the floor to bring the Cuban question to a speedy close.

On motion to close the debate on appeal the rising vote was: Yeas, 132; nays, 112.

CUBAN BELLEGERENCY.

De Armond, of Missouri, offered as an amendment to the diplomatic and consular appropriation bill a resolution for the recognition of Cuban belligerency and when a point of order was raised against it, made a strong speech appealing to those who sympathized with the struggling insurgents to override the rules of the house, assert themselves and adopt the amendment.

Mr. De Armond, chairman of the committee on foreign affairs, to state if it was the intention of those in authority to give this house an opportunity to vote on the Cuban belligerency resolution. Hitt made no reply, except to protest that Bailey was out of order.

In the chair, sustained the point of order.

De Armond, thereupon, appealed from the decision of the chair.

Great excitement prevailed. The speaker entered and Dingley appealed to his side of the house to disregard all personal inclinations toward the amendment and stand by the rules.

In reply to Dingley, De Armond urged the members to leave the house for a single hour from a "dominion so absolute that number could not be counted, and nothing except after those in authority approved it."

The house committee on commerce today voted to report an anti-slavery bill in the form of a substitute prepared by Sherman, of New York. The substitute follows the general lines of the original bill, with some additional features. It places a penalty on railroad officers who deal with scalpers.

E. L. Washburn, of the big clothing house of E. L. Washburn & Co., returned a short time ago from the west, where he met with a good trade at all the towns as far as Nevada, Cal. "I found the merchants feeling good over the prospects," said Mr. Washburn, "they all enjoying an excellent trade, and from all indications the revival in business has come to stay."

Mr. Washburn took a number of orders for up to date spring suits, besides doing a rushing trade in gents' novelties.

In order to correct a rumor on the street to-day, it is the desire of the manager to state emphatically that the entertainment at the opera house to-night will be given in full. The fact that part of the evening will be devoted to a five, will in no way prevent the company from presenting with all its specialties, the piece "At Gay Coney Island."

The revival of the Automatic Telephone company, informs THE CITIZEN that his list of subscribers is constantly increasing. Two new names added in the evening of January 17, 1898, were C. W. Kennedy, at residence on west Gold avenue, No. 467; and F. R. Buning, at residence, old town, No. 463.

The remains of Samuel Dunlap, whose death has been mentioned in these columns, were buried in Fairview cemetery this afternoon, the funeral services being conducted at the undertaking parlor of Mr. Montfort at 2 o'clock. Quite a large crowd of the friends of the deceased attended.

THE TUNNEL WRECK!

Particulars of the Accident on the Santa Fe Pacific.

Roadmaster Lyons Killed and Several Laborers Injured.

A Fire Causes a Most Disastrous Cave-in of Timbers and Rocks.

JOE SHORT BROUGHT IN TO HOSPITAL.

Special to The Citizen.

Williams, Arizona, Jan. 18.—The roofing in the tunnel caught fire from the sparks of a passenger engine on Sunday last.

A force of men were quickly dispatched from this city under Foreman Parker and Matthews.

They fought the flames all night, up to 2 o'clock yesterday afternoon, when with out warning a mass of charred timbers and rocks came falling down among the men.

Everyone fled for their lives, but when the gang reached the entrance to the tunnel it was seen at once that several of the party had not escaped, among them being Foreman Matthews and Roadmaster Pat Lyons, who had only arrived a few minutes before.

The smoke being so dense, the men were considerably hindered in their progress, but finally reached the bodies of two of the laborers.

Returning, the body of Lyons was found entombed in the mass of debris. He was extricated after considerable difficulty. He was seriously injured and lived but a short time.

Recovering, the men found Foreman Matthews' body in another heap. He was nearly suffocated by the dense smoke. He was found to be seriously injured.

Matthews and the laborers were brought to this city to receive medical attendance.

Matthews was taken to his residence in this city and rested last night. He will be taken to Albuquerque on No. 2 to-day.

Division Superintendent Hibbard and Foreman Parker were not two feet away from Lyons when the debris came thundering down and narrowly escaped with their lives.

That more were not killed is simply a miracle, as nearly fifty men were in the tunnel at the time.

The passengers and the mails were transferred around the tunnel.

Traffic will be delayed several days; in the meantime the trains will be run over the Southern Pacific via Tucson and El Paso.

BROUGHT TO HOSPITAL.

The No. 2 passenger train, due last night at 10:25 o'clock, was detained on account of the tunnel accident, and in consequence did not reach the city until 1:45 this afternoon. Mr. Rider, one of the assistant surgeons at the local hospital, was at the depot with a stretcher, and received a laborer, named Joe Short, who was caught in the tunnel cave-in, being buried under a huge mass of rocks, and received injuries that will keep him a patient at the hospital for several weeks.

Foreman Matthews, as stated in the above special, left at his home at Williams, where he will receive treatment from the company's physician and surgeon there.

There is a rumor about that James Yotave, of this city, was injured and will be brought in from the west this evening. It is not known, however, whether he was hurt at the tunnel fire, or somewhere else on the road.

It is understood here, this afternoon, that until the tunnel is repaired all California traffic will be diverted, via Deming, over the Southern Pacific.

SILVA'S RESORT BURNED.

Three Separate Fires Follow in Quick Succession—Entirely Destroyed.

Mrs. S. Silva's resort in Tijeras canyon burned to the ground yesterday afternoon. Parties who left there at 3:30 p. m., brought the news to the city that the buildings were then one mass of flames.

Mrs. S. Silva, the owner of the place, is in this city, and her brother, Lorenzo Azario, had charge of the place. It seems that the fire started Sunday night when a hanging lamp fell to the floor in the saloon and the kerosene spread over the floor and catching on fire Azario was confronted with a formidable flame, which he endeavored to smother with blankets. The blankets, however, took fire and he was obliged to throw them out of doors badly burning his hands as he did so. Other parties coming to his rescue the flames were finally extinguished though not until the saloon had been almost entirely destroyed. Early yesterday morning the fire broke out again but was discovered in its infancy and a few buckets of water put it out.

Mr. Azario left for Albuquerque at about 11 o'clock yesterday forenoon, to inform Mrs. Silva of the occurrences at her resort. In the afternoon while he was away the fire started for the third time and spread until the whole was in flames.

The place was insured with Culey & Arnold for \$17,000. Mr. Culey today drove out to Tijeras canyon to ascertain the amount of the loss.

BOOTH, THE SHARPER.

Representative of the Tontine Company, of Dallas, Now in Omaha.

Richard Wearne, a business man of Omaha, Neb., has written Marshal Cobert informing him that Richard Booth, the notorious representative of the Tontine coin and security Co., of Dallas, Tex., so well and unfavorably known to certain people in this city, is now a denizen of Omaha, where he has resided for the past few months.

He goes by the name of B. Livingstone and Mr. Wearne states that he has been "thoroughly acquainted with him, and knows his true name, but, nevertheless, Booth has done nothing there which could incriminate him. Mr. Wearne wrote to the marshal to find out if there were anyone here desirous of prosecuting him, when he would assist in locating him.

Any of the persons who had business transactions with Booth can get further particulars by calling on Marshal Cobert.
